Honey of A Hayrack Ride

Last month we shared a great evening with friends-new and old. Twenty six OSC members and friends came together for an evening of camaraderie and fun. Our ages ranged from twelve to sixty something. (Is that right Bob Todd?) The mood was jocular and welcoming. We were even serenaded by Brian. It was really great to catch up with many folks we have known for years and to chat with first timers to an OSC event. (Thanks Merry for bringing so many of your friends from work. We hope that they join us again in the near future.)

We all gathered at Santa's Woods for a hot dog/marshmallow roast. The evening was just right, not too warm and not too cool. We had the crispness of autumn without the sting of winter. Then after we were all sated and ready to sit for awhile we headed off for a starlit jaunt through the countryside. We had Cindy all wrapped up, sure not to catch a chill, and Phil sitting behind the tractor keeping an eye on everything. I know it's hard to believe but we even had a few stories and jokes coming from Pat and Merry's general direction. It was lots of fun and very relaxing. Much in part to the kind folks of Santa's Woods-Thank you!

Hope you can join us next year on the next hayrack ride!

Presidents' Corner

The ski season is finally here. Most of the ski resorts out west are open (or will be shortly). The snow started early and has continued every couple of days. What does this mean for us? A great ski season is just ahead for all of us.

There is still limited space available on three of our trips: New Years, Steamboat, and Sun Valley. Due to the low number of people who signed up for the Vail trip in January, we have had to cancel it. The slow economy, really cold weather in January, and the low number of current members, were all factors in having to cancel the trip.

Membership in the club has declined in the past few years. There are a number of reasons why the membership is going down. According to the National Ski Council Federation, clubs across the whole country are experiencing the same problem. In a recent e-mail from the Council, they gave these reasons for the decline:

- In 2000, participation in sports and fitness activities among people ages 16 and over took a real dip and has not yet recovered. Instead of sports, people are watching television and taking part in computer activities. Among leisure activities, gaming is the fastest growing.
- The ski industry is not helping the sport grow. The number of skiers and snowboarders are declining. Skier days are up but this is not due to more skiers, but to the same skiers skiing more days due to the low cost of season passes.
- Two age groups of skiers are growing, 19 to 20 years of and 40 plus group. The 30 to 40 year old group is too time starved to go skiing. The generation X (20-29) males, are fitness freaks. They are joining for-profit adventure clubs instead of ski clubs.
- Statistics show that 40% of club skiers skip one or more seasons every five years. Skiers are looking more to have a good time on their trips rather than become advanced or expert skiers.
- And lastly, the ski industry has no voice for the consumers. They need help from clubs and ski councils.

In a more local story, Bahnsen's is closing its doors. They have sold and rented skis in our area for the past 45 years. The poor economy and competition from the big chain stores have hurt them in the past few years. We will miss their personal attention and the quality tuning service they have provided all of us over the years.

Merry Christmas and a Happy New year from myself and the rest of the Omaha Ski club board.
