President's Letter

I would like to thank Andrea for all the time that she has put in the last few years. I know that it took a good deal of her time. I would also like to thank Evelyn for planning activities. It takes many people to make an organization run. If you would like to get involved in the working of your club, come to a board meeting. All members are welcome.

I hope that if anyone has any ideas, they feel free to bring them to one of the board members or myself. We appreciate your input.

I think that Teri has several good trips lined up this year. We should have the trip schedule out soon for you to be able to plan your trips accordingly.

We need to enlarge our membership. If everyone could bring one new person to our trip signup party, we may be able to increase the size of our club.

VP-Trips Letter

Hi Everybody!

Another ski season is gone. We have put our skis away and get on the bikes to stay in shape for the next season. I wish to take this opportunity to thank everyone for making the trips successful. It takes many people to run this club, but it takes members to *participate* in order to maintain this club. The Omaha Ski Club works hard to plan trips and events for all of our members to enjoy. This coming year will be no exception. We have some great trips planned. We have added a new place and will revisit some of the more familiar places where we have skied in the past. We also plan to join the Chicago Metro Ski Council (CMSC) at Park City the week of March 20-27, 2010! Mark your calendars!

Another opportunity for a great time will be the Flatlands Ski Association (FSA) trip to Winter Park CO at the end of January. (27th-31st) We have lovely condos at the Winter Park base where we will be very close to all activities and the lifts and we will not be spread out all over the resort!
The other two trips will be announced soon. We are in the process of finalizing them. There will be one in early January and the other in late February.

If there is enough interest and sign-ups for the other trips, we may be able to add an early season trip. If you would be interested in participating in an early trip as a drive-out, please contact me.

I hope you are all enjoying this summer's heat and humidity but save some of those vacation days for the winter!

Grab your bikes and come ride with us!
Enjoy the summer!
