A Message from the President...

This summer has been a busy one. I was done spraying beans for the last time just a few weeks ago. I'm still trying to guess how the crops are going to be this fall and trying to get things ready for harvest. I received about 3 inches of badly needed rain the other night. There was not a drop that ran off into the creek. That should help out things for a while.

Football practice has started already and it's too early to think about football. Maybe since we've had a cooler than normal summer we will have an early winter with lots of snow. Several of our events were rained out this summer. The baseball game, jazz on the green and a bike outing or two had to be cancelled.

With fall on our doorstep, we need to think about ski season. The next event is the trip signup party on September 22nd at Clancy's west. We need to have good member attendance and involvement. I know it is hard to think about skiing now, but it is time to think about the ski trips for the upcoming season. I encourage everyone to attend. This year, the club is offering a \$50 discount for those who sign up for a trip **before October 15th**. This will help us keep the rooms and airline seats that we have reserved and give our members an incentive to sign up early.

Teri has two great ski trips planned for the upcoming year. We will join the Flatlands Ski Association (FSA) at Steamboat. This one will be one you will not want to miss! Meet up with old friends from other clubs, race, party and après ski all week. We are also including the on the mountain picnic with the price of the trip. We will have both the week trip and an optional four day trip.

The second trip will be with the Chicago Metropolitan Ski Council (CMSC) to Big Sky MT. Join us for a great week of parties, racing and a farewell banquet. Sign up *early* for this trip to guarantee your airline seat. After the first 24 reservations from Omaha, the price may increase depending on the price of the flights.

An early trip to Crested Butte with the Cornhusker Ski Club is also in the works. This will be the second week of December and will have a bus or drive out option. Look for information soon. We have a reciprocal membership with Lincoln and only have to be a member of our club to join their trip. It is so nice to work together to get our numbers to make the group pricing for these trips.

In December we will be having our Christmas Party with a gift exchange. If you have any great suggestions for exchanging these gifts or a theme for the party, please submit them to El Siebert as soon as possible. We will send a flyer with date and time later.

I hope you have a great ski season. Be safe and sign up early!

Phil Bintz

President

Omaha Ski Club

*T*rips 2013-2014

Once again ski season is almost here! The Omaha Ski Club offers our members a variety of places to ski each year. Some of the planning on where to go is based on the membership's suggestions, cost of lodging and lift tickets as well as the locations for the Flatland Ski Association (FSA) and Chicago Metropolitan Ski Council (CMSC) weeks. The numbers used when planning the trip drive the cost. When we do not "fill" the trip, our cost per person increases. When this happens, the Ski Club absorbs the cost. Most years we break even. Unlike travel agents, the Omaha Ski Club does not make a profit on these trips. Trip planning is done because we like to ski with a group, not by ourselves. We like great rates, good parties and lasting memories. Due to lower than needed numbers to fill four trips, we have had to cut back to two premier trips for this season and an early trip with the Cornhusker Ski Club. If there is enough interest and numbers to put together a later trip, we are open to suggestions from our membership.

CRESTED BUTTE
COLORADO

This season, we are offering three trips with options that may make it possible for more members to join us.

First we will have a combined trip to Crested Butte with the Cornhusker Ski Club. We have reciprocal membership with Lincoln. You will not pay membership dues to the Cornhuskers, but will need a reciprocal membership form and trip application. This will be a drive out or bus trip if there is enough space. We'll have details on this trip in September.

The second trip is with Flatlands Ski Association (FSA) to beautiful **Steamboat Springs Colorado**. Make it a week or just 4 days, you can still join in all the FSA activities. See trip flyer for details.

Next, we will join up with CMSC for a great week in **Big Sky Montana**. We have fewer options for this trip but we did get a great rate for airfares, at least for the first 24 sign-ups. We are welcoming our FSA members from Cornhusker Ski Club and Columbia Ski Club to join up with us to help improve the numbers. **If you plan to go on this trip, sign up NOW because the first 24 get the great price. After the first 24 are filled, the price may increase by a substantial amount.** See trip flyer for details.

The **Sign-Up Party will be September 22nd** at Clancy's on 114th & Dodge in Miracle Hills. We are meeting at **5PM** in the party room. Come out and join us. New members welcome. We will have lots of information on the upcoming trips. **As an added incentive, if you sign up early, you can save \$50 on each trip. The cost of each trip will increase on October 15, 2013.**

Again this year, we are offering each member that signs up for a trip, a free **pole flag or a leg band** with a zippered compartment. You can choose which option you would like. If you wish to purchase either of these items, they are being offered for \$5 each. These items have the old Omaha Ski Club logo in white with a royal blue background. One per year, per person. If you are not given one, please ask your trip captain when you sign up.

I hope everyone had a great summer. We look forward to seeing you at the Sign-Up Party! Think SNOW!

CHICAGO WEEK 2014 – Big Sky, Montana

Meet the Omaha Ski Club's Board of Directors...

This Month's Position...

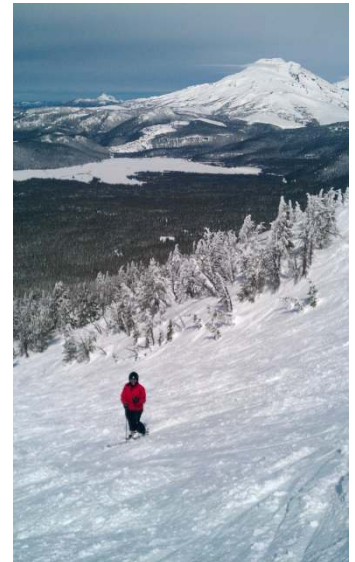

Vice President of Trips

Teri Hammon

When asked for a short story about myself and why I serve on the Board, I didn't know where to start. I love to ski, hike, run and bike. I love the mountains, snow, sun and the energy obtained from them. With all these wonderful things, it is just natural that I try to encourage others to join me and experience the fun. This is why I chose to plan trips for the Omaha Ski Club. I joined the Omaha Ski Club in 1998 and went on my first trip with the club that year. What a great group of people. I have been going on most trips since that time. I have served on the Board as Secretary and then Vice President of Trips for several terms. I have met many great people over the years and enjoy organizing and planning trips for groups. Part of the planning process involves looking for great deals, negotiating prices for lodging and lift tickets, meeting deadlines for payments and cancellations and assisting the trip captains with problems or questions. In addition, I am always looking for new places for the group. In the Public Relations position, I look for ways to market our club such as banners, tee shirts, flag poles and leg bands. Word of mouth is a great way to promote our club and joining us on a trip is a great tool.

I was born in Omaha NE and have lived here my entire life. I have one son, Joe and two beautiful grandchildren, Emily 4 and Cayden 2. I am the younger of two girls. My sister Mary lives in Cedar Rapids IA. After graduating from high school, I chose to become a registered nurse. I graduated with my BSN from UNMC. I practiced as an Oncology Nurse until I injured my back in 1990 and then began my career as a Nurse Auditor doing medical chart reviews. I am now self-employed as an independent contractor doing medical chart reviews. I had been traveling with my job but have had to slow down a bit to care for my mother on a full time basis as she battles lung cancer. This time has given me a chance to reflect on just how much life means and how all those "little things" just don't matter.

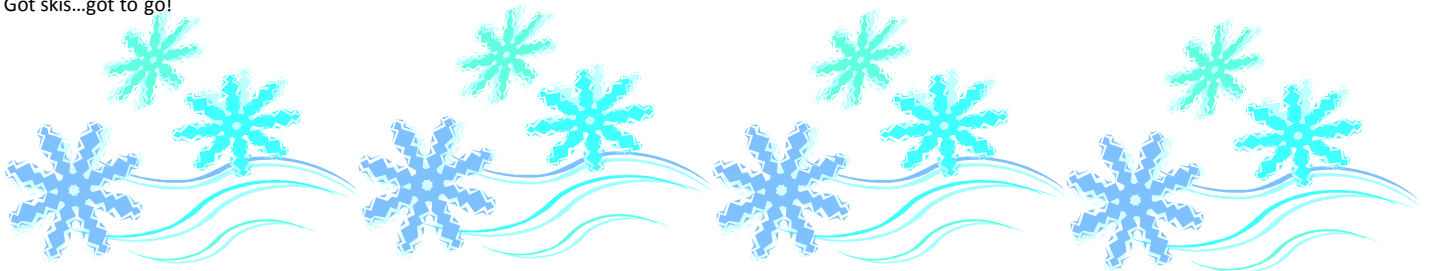

Life is a beautiful ride.

In addition to planning trips for the Ski Club, I am a volunteer Ski Patroller at Mt. Crescent and serve as Secretary on the Board of Directors for the Patrol. I also love to go on long bicycle rides, especially in the mountains. The open road offers many options for riding. I also allow myself (the knees don't like it) a weekly six mile run with my friend who is blind to keep in shape for the Corporate Cup Run each year. It is such a joy helping others.

I learned to ski when I was 18. I remember how scared I was when I took the tow rope to the top of the beginner hill over at Mt. Crescent and looked down. Now, many years later, I look back and laugh at that day. Once I learned to ski, I just loved the thrill of the downhill. My goal in life is to ski as many different resorts as I can before I die. Hopefully, I will ski many more.

Got skis...got to go!
