# Annual Christmas Party

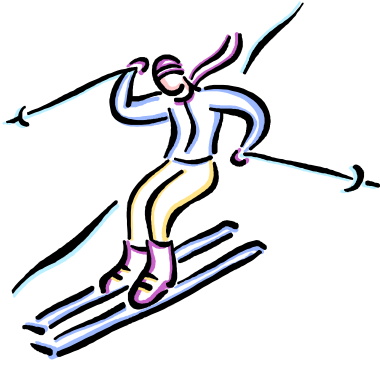

December 21, 2014

The Omaha Ski Club annual Christmas Party will be held at the *Nebraska Brewing Company*, 7474 Town Center Pkwy in Shadow Lake Shopping Center in Papillion (SW of Hwy 370 & 72<sup>nd</sup> St.). Social hour begins at 5:30 PM followed by dinner. Unlike our traditional Christmas party in the past, this year everyone will order their food from the menu selection at the restaurant. Choices include steak, salmon, chicken, etc. Pay for your meal, drinks and gratuity to the restaurant. We will continue our optional and exciting gift exchange for \$10. A piece of advice: don't get attached to your gift selections until you are on the way home. (I still have mine from last year because I am attached to it and it is not coming back this year!) Please RSVP to El Siebert at [elsiebert@cox.net](mailto:elsiebert@cox.net) or phone 402-453-9088. Reservations are due by December 18, 2014.

Hope you can join us! *El Siebert, VP-activities*

## *Trips Update...*

It is time to go skiing. Many of the resorts have received significant snowfall. I have my gear pulled out and sorted and the bags are packed for the first trip of the season. We have 9 signups for the Copper Mountain trip, but always have room for more! We will be joining the Cornhusker Ski Club for a joint welcome party and some early season skiing.

The Crested Butte trip is filling up. I am holding a couple extra rooms for those who still wish to join us. We are staying at the Grand Lodge in hotel style rooms with king beds. This should be a great trip as we join the rest of the Flatland Ski Association clubs for some fun parties and great skiing!

The Mt Bachelor trip with CMSC (Chicago Metropolitan Ski Council) still has room, but don't wait too long as we may not get additional airline seats. This trip has a Hawaiian theme. There are so many things to do and see while on this trip, you won't want to miss it. We will go to the High Desert Museum on Wednesday. You can schedule your own trip to Crater Lake, go for a trek through the woods on a dog sled, snowshoe, cross country ski or go into Bend to explore the shopping or restaurant options. We have buses into Bend on two evenings. This trip includes ALL breakfasts, two dinners as well as other events. Not to mention FIVE days of skiing, with an optional 6th day available for \$42 if you wish to optimize your days. See the trips flyer on the website for all the details.

Mammoth Mountain should be a great adventure since we have not skied there as a club. I have heard good things about the area, but have never gotten the chance to ski there. I am looking forward to this trip. Hope you can join us!

How about staying in luxury as you join us at Beaver Creek for five days? We are staying at The Charter, 2 bed/2 bath condos, ski-in, ski-out and fantastic outdoor hot tubs. Beaver Creek is a great place to ski for all levels of skiers. They take pride in their grooming ability and it shows-if you love groomers. There is also a shuttle to Vail if you cannot find enough terrain at BC. This trip includes lodging, a welcome party and breakfasts on four of the mornings. Purchase your lift tickets online for the best deals prior to the trip.

I know many of you have signed up. We also have a few new members that will be joining us. Talk to your friends and bring them with you. We want to ski and have a great time. Join us on a trip or two and also come visit us at some of the dinners or pre/post trip parties. They are for all members, not just for those on the trips.

I want to take the opportunity to wish you a Merry Christmas, Happy Holidays and best wishes and lots of snow for the New Year! I Hope to see you on the slopes soon!  
Got skis...gotta go!

## *Did you know...*

### **Omaha Ski Club is a member of the Chicago Metropolitan Ski Council (CMSC)?**

We pay a membership fee to be included in this council. This gives us the opportunity to join them on their council trips such as Mt. Bachelor this year. It also gives us an advantage to get group rates. There are 70+ clubs that belong to this council.

### **History of CMSC...**

The Chicago Metropolitan Ski Council (CMSC) was formed in 1957 and now has 70 plus member clubs. The clubs represented offer downhill skiing, snowboarding, cross country skiing as well as various other activities year round. They are adventure clubs, singles clubs, family clubs, and clubs that welcome all comers.

CMSC offers clubs the opportunity to participate in council sponsored ski/snowboard trips: Europe, Chicago Week and Winter Carnival, our Racing program for both skiing and snowboarding with 7 weekend races a year, Instructors Clinic where a club member can learn to teach beginners skiing or snowboarding techniques, Trip Seminar where clubs select destinations for the upcoming trips, along with various other activities.

CMSC's publication, the *Ski & Ride Club Guide*, and web site ([skimsc.com](http://skimsc.com)) keep the member clubs up to date with events and news of the ski industry, council and clubs.

CMSC is managed entirely by volunteers who are members of the clubs. They encourage club members to join them on committees and as council officers. Ski clubs appoint delegates to the CMSC to represent their club. CMSC acts with the member ski clubs to promote the sports of skiing and snowboarding.

### **Omaha Ski Club is a member of the Flatlands Ski Association (FSA)?**

We do not pay membership dues to belong to this association, but have a person who represents our club on the FSA board. Additionally, one person from our club also serves on the FSA Race Committee. Nine clubs make up the Flatlands Ski Association. These include: Omaha, Lincoln, Topeka, Kansas City, St. Louis, Oklahoma City, Wichita, Columbia and Tulsa.

### **The History of FSA...**

The Flatland Races began March 21, 1965, in a gully in Crested Butte, born after two years of writing open challenges in various major ski publications.

The Kansas City Ski Club originated and hosted the first event. Omaha, Amarillo and Wichita Ski Club members joined in the first competition. Coors Brewing Company sponsored the first trophy, won by Kansas City.

Participation in the Flatland Ski Association races has grown from the original 40 racers in 1965 to one of the largest and oldest amateur alpine ski events in the United States. Since then, the annual races have provided hours of fun and recreational competition for thousands of flatland skiers.

The forerunners of the flatlands races were Olympians Dave Gorsuch, Renie Cox, and Linda Meyers. Dave and his wife moved to Vail with the race and he was a leading competitor for several years. Billy Kidd was also one of the early participants.

The Flatland Ski Association met annually through 1967 in Crested Butte. Vail hosted the races from 1968 through 1980. Now the races are held at various ski areas. The site of the races is determined through a competitive bidding process and is selected by Flatland Ski Association Board of Directors.

# ***Meet the Omaha Ski Club's Board of Directors...***

## ***This Month's Position...***

### ***Secretary***

### ***Steve Grunberg***

My name is Steve Grunberg and I'm a 38 year member of the Omaha Ski Club.

I'm currently on the Club's Board of Directors serving as the secretary.

I first snow skied during the UN-Lincoln spring break in March 1975.

I joined the Omaha Ski Club in 1976 when we had 1,300 members.

Since then I have held every position on the Club's board, some of those positions multiple times.

When the Club almost folded in 1984, I personally recruited a new Club board, including myself as President, to continue on with the Club. For that effort, I was awarded a Club life membership, for which I'm still extremely honored.

As a member of the Omaha Ski Club, I have been able to ski just about every ski resort west of Omaha. However, I have never skied Mount Bachelor in Oregon, so I have signed up for that trip this February. I have also skied in Europe with the Flatlands Ski Association in February 1978.

Since my wife Linda has retired from skiing, the Club trips are my only chance to ski with friends. I hope to retire soon, and then I plan to go on every trip the Club schedules each year.

My skiing goal is to get buried in an avalanche while skiing on my 90<sup>th</sup> birthday, and have the Omaha Ski Club survive me. This would be a better way to go out than rot away in a nursing home.
