Trips 2018-2019

I am excited to begin a new season! Everything gets so busy as fall approaches. All the details for the trips need to be finalized, spreadsheets prepared, trips flyers formatted, dates finalized and information placed in the newsletter, website and on our Meet-Up site. This summer has flown by and there are reports of snow out west. I have heard several forecasts for this season, some say we will get higher than average snow, while others say below average. Only Mother Nature knows. I hope that it is a deep powder year!

We have some great trips again this season! We have planned most of our trips around the IKON pass. First, we visit Copper Mountain with the Cornhusker Ski Club. This trip has been a good start to the season as we get in shape, check our gear and make sure all the warm weather clothing still fits. This trip will kick off our season.

Next, we will bring in the new year at Powderhorn (at least we will try again this year). We stay at the Grand Vista Hotel in Grand Junction CO. It is a half hour, very scenic drive to the resort. Grand Junction is the nearest "big" town by Powderhorn. We can find somewhere to bring in the new year close to the hotel.

At the end of January, we will spend a week at Steamboat Springs with the Flatlands Ski Association. This is always a fun trip. The skiing is usually great and we get to spend time with old friends. The Welcome Party and banquet, as well as a picnic, are included with this trip. We will be staying at the Timber Run condos this year with three outdoor hot tubs and a pool. It is easy to get from the condos to the mountain or to town with the dedicated shuttles. We need to drop some rooms soon. If you have not signed up yet, get your trip application turned in soon or you may not get a spot!

In February, we drive out to Winter Park for 3-4 days of skiing. In February, usually the snow is great and the entire area is covered. We will be staying at the Best Western Alpenglo Lodge in the town of Winter Park, close to shops, restaurants and the bus stop. It is possible to take the train into Frasier, leave your luggage at the hotel and go ski. This trip includes four nights lodging and a welcome party.

March brings us Spring. Hopefully, the snow will still be in winter mode as we fly to Salt Lake City for a week of skiing. We will be staying at the Crystal Inn Hotel & Suites Midvalley in Murray UT, 20 minutes from the slopes. We will ski at least one day at each of the resorts of Brighton, Solitude, Alta and Snowmass. Twenty spots are available. I am depending on you to sell these spots! Bring your friends and let's go ski!

At the end of the season, I travel to the Mountain Travel Symposium. This is where I meet with vendors and tour operators to plan next year's trips. I cover the cost of this trip since it gives me good contact information for planning as well as meeting people from other clubs for possibly teaming up on trips. Since we have a relatively small member base, I try to find places and groups to pair up with to keep the costs down. The bigger the group, the better the price. Let's try to grow our club's membership! Let's start this year!

Thank you all for being a part of this club! I appreciate your participation and I look forward to skiing with you this season! Think snow!
